Training program	A training program on patient triage was developed through a collaboration between the Pancyprian Association of Nurses and Midwives (PASYNM) and the Nursing Department of the Cyprus University of Technology (TEPAK).	11/12/2023	https://www.cut.ac.cy/news/a rticle/?contentId=543370
Newborn care	An open invitation is extended to healthcare professionals in maternal and newborn care to participate in the pan-European IMAgiNE EURO study, which focuses on the quality of care based on WHO criteria.	6/11/23	https://www.cut.ac.cy/news/article/?contentId=537220
Interprofessio nal Learning	On October 6, 2023, the first "Interprofessional Learning" (ILP) event, titled "Meet and Greet," was successfully held by the Nursing Department of Cyprus University of Technology and the Medical School of the University of Nicosia. Students from nursing and medicine met to collaborate and share expectations for the program.	6/10/2023	https://www.cut.ac.cy/news/article/?contentId=535490

Nursing & Mental Health Care program	On October 10, Master's students from the Cyprus University of Technology's Advanced Nursing & Mental Health Care program visited Pakhna Primary School to promote mental health awareness and social contribution, celebrating World Mental Health Day.	10/10/23	https://www.cut.ac.cy/news/article/?contentId=534270
World Bioethics Day	A seminar was held to celebrate World Bioethics Day, focusing on the importance of bioethics in healthcare and raising awareness about ethical issues in medicine and research.	2/11/2023	https://www.cut.ac.cy/news/a rticle/?contentId=533720
Augmentative and Alternative Communicatio n	The event on Augmentative and Alternative Communication, held on October 7, 2023, at the Cyprus University of Technology, attracted over 150 participants. It focused on raising awareness about communication support for individuals with severe communication disorders.	7/10/2023	https://www.cut.ac.cy/news/article/?contentId=532940
Child Health and Prevention	The International Institute of Cyprus for Environmental and Public Health at the Cyprus University of Technology (TEPAK) organized the 9th Nationwide Public Health Seminar on "Child Health and Prevention in a Changing Environment."	3/10/2023	https://www.cut.ac.cy/news/a rticle/?contentId=531990
Seminar for health professional	A seminar held on September 6, 2023, in Limassol, focused on empowering healthcare professionals to promote vaccination and	6/9/23	https://www.cut.ac.cy/news/a rticle/?contentId=531810

	address vaccine hesitancy. It was part of the IENE 11 project, which aimed to develop training programs for health professionals.		
Seminar about dementia	In September 2023, the Department of Nursing at CUT and PASYNM organized a seminar on dementia awareness, attended by 200 healthcare professionals.	15/9/2023	https://www.cut.ac.cy/news/article/?contentId=531640
Seminar: "Caregivers"	The Cyprus University of Technology organized a hybrid seminar on September 21, 2023, focused on "Caregivers: Leaders in Providing Person-Centered Care." The event, part of the Erasmus+ "COMPASS" program, involved several European organizations and was open to professionals in elderly care and related sectors.	21/09/2023	https://www.cut.ac.cy/news/a rticle/?contentId=530370
Workshop: Digital Tools for Health	TEPAK's Department of Nursing hosted a workshop focused on improving digital skills for healthcare professionals in oncology, as part of the EU-funded "TRANSITION" project. The workshop, held during the CAIP 2023 conference, aimed to assess the needs of both clinical and non-clinical professionals regarding the use of digital tools in healthcare.		https://www.cut.ac.cy/news/article/?contentId=529630
Seminar for Physiotherapy Professionals	The Mediterranean Institute of Gender Studies (MIGS) and the Advisory Committee for the Prevention and Combatting of Domestic Violence (SEPKVO) held a seminar for	8/01/2024	https://www.cut.ac.cy/news/a rticle/?contentId=545580

	physiotherapists on supporting domestic violence victims. Dr. Elena Rousou from TEPAK participated as a trainer in the European OPEP DV program's educational activities.		
Vaccination	On January 17, 2024, TEPAK, in collaboration with the Cyprus Medical Association and the Cyprus Nurses and Midwives Association, hosted a successful seminar on "Vaccine Hesitancy: Challenges and Data." This event was part of the launch of the co-OPERATOR research project, aimed at developing a country-observatory for sharing best practices in vaccination promotion, funded by the EU4Health program.	23/01/2024	https://www.cut.ac.cy/news/article/?contentId=547290
Panhellenic Heart Failure Conference	At the 25th Panhellenic Heart Failure Conference, part of the research from the "SupportHeart" program at TEPAK won the "Best Free Paper" award. Dr. Katerina Filipou presented findings related to individuals with heart failure and diabetes.	7/02/2024	https://www.cut.ac.cy/news/article/?contentId=549880
Pediatric Screening for Hypercholeste rolemia	TEPAK is participating in the "PERFECTO" research project, which aims to implement pediatric screening for familial hypercholesterolemia (FH) throughout Europe. The project aligns with the World Rare Disease Day, celebrated on February 29th, highlighting over 6000 rare diseases that affect millions of people in Europe.	28/02/2024	https://www.cut.ac.cy/news/article/?contentId=553790

European Speech and Language Therapy Day	The Department of Rehabilitation Sciences at TEPAK participated in the celebration of European Speech and Language Therapy Day on March 6th. The event aimed to raise awareness about speech and language disorders, promote the importance of speech therapy, and highlight the impact of collaboration with other professionals and caregivers in improving the effectiveness of interventions for individuals with communication challenges.	6/03/2024	https://www.cut.ac.cy/news/article/?contentId=555510
Maternity Care	The Department of Nursing at TEPAK is leading the RESPECT research project on "Respectful Maternity Care." A key stakeholder meeting was held on March 21, 2024, in collaboration with the European Programs and Cultural Relations Organization. Co-funded by the EU's CERV 2021-2027 program, the project aims to promote quality maternity care standards based on global and European principles, including those from the WHO and the White Ribbon Alliance.	2/04/2024	https://www.cut.ac.cy/news/a rticle/?contentId=559180
Patient Safety	Workshop on teamwork for safety in medical care was held at the Limassol General Hospital. It was organized by the Department of Nursing at TEPAK in collaboration with the Medical School of the University of Nicosia. Conducted by Mr. Evangelos Dimosthenous from the consulting organization "Kratis," the workshop focused on the importance of communication	17/04/2024	https://www.cut.ac.cy/news/a rticle/?contentId=560390

World Kidney Day	and collaboration between nursing and medical students in an interdisciplinary team to improve patient safety and outcomes.  The22/04/ Pancyprian Association of Kidney Patients (Limassol Branch) and the Department of Nursing at TEPAK, in collaboration with the Pancyprian Nurses and Midwives Association, co-organized a seminar titled "Promoting Equal Access to Care and Optimal Pharmaceutical Practice." The seminar was held in observance of World Kidney Day (March 14th), focusing on raising awareness about kidney health, preventing kidney diseases, and promoting equal access to care and research on kidney diseases.	22/04/2024	https://www.cut.ac.cy/news/article/?contentId=560500
Intensive Care Unit seminar	On May 12, International Nurses Day was celebrated to honor Florence Nightingale, the British pioneer in modern nursing, known for her work in social reform, statistics, and public health. The theme of this year's celebration was "Our Nurses. Our Future. The Economic Power of Care." Despite being the backbone of healthcare systems globally, nursing often faces financial limitations, particularly in terms of education and preventing psychosocial and physical risks.	17/05/2024	https://www.cut.ac.cy/news/article/?contentId=566040
Bioethical Dilemmas	The Cyprus University of Technology and the Health Services Organization (OKYPY) organized	23/05/2024	https://www.cut.ac.cy/news/article/?contentId=566420

Surrounding the End of Life	a seminar for healthcare professionals focused on bioethical dilemmas related to the end of life. The event took place on Saturday, June 1, 2024, from 9:00 AM to 2:00 PM, at the "Tassos Papadopoulos" Building in Limassol.		
Conference of the Hellenic Nurses Association	The 51st Panhellenic Conference of the Hellenic Nurses Association took place in Naxos from May 15-18, 2024, with the participation of nursing departments from universities across Greece. The conference featured lectures, roundtables, and clinical workshops, attended by over 800 participants. The Nursing Department of the Cyprus University of Technology was actively involved with three presentations on May 18th.	24/05/2024	https://www.cut.ac.cy/news/article/?contentId=566310
Speech Therapy Conference	The 15th Panhellenic & 2nd International Hybrid Speech Therapy Conference took place in Thessaloniki from May 24-26, 2024, with strong involvement from the University of Macedonia and Aristotle University of Thessaloniki, as well as the Cyprus Association of Registered Speech Therapists. The conference covered topics such as human communication, professional collaboration, recent research results, new therapeutic approaches, and the integration of research into clinical practice.	29/05/2024	https://www.cut.ac.cy/news/article/?contentId=566980

Collaborative and Social Art	Within the framework of the	2023-2024	
Collaborative and Social Art	Collaborative and Social Art course of	2023 2024	
	the undergraduate curriculum of the		
	Department of Fine Arts, the		
	collaboration between artists and		
	other scientists was attempted in		
	order to answer a social issue in a		
	multifaceted way. More specifically,		
	as part of the course, the students		
	collaborated with the Deep Blue Lab		
	of the Cyprus Marine & Maritime		
	Institute, where they construct, using		
	a 3D printer and a special concrete		
	mixture, artificial reefs to save		
	biodiversity in the marine area of		
	Amathous.		
Foyer	The foyer! is an online series	10/10/2023	
	organized by the Aura Lab Workshop	- today	
	of the Department of Fine Arts of the		
	Cyprus University of Technology		
	(CUT), which concerns the meeting of		
	artists with students of the		
	Department, and the production and		
	publication of videos (lasting about		
	15-20 minutes each) of a recorded		
	performance, in the landscaped one-		
	floor foyer with administrative		

	tt: t out : t		
	offices of CUT, in the center of		
	Limassol.
