You can also find information about off-campus accommodation on our [website](#).

On-campus Accommodation

Visas

GCU has a Visa Immigration Support and Advice Team ([V.I.S.A](#)) who provide support and advice for all international students.

You can visit the UK Visas and Immigration [website](#) to find out if you need a visa.

Student Life

Exchange and study abroad students at GCU will have the opportunity to get involved in all aspects of campus life. Students will be invited to an international orientation week where they can meet other exchange students, familiarise themselves with the campus and find out about the various clubs and societies at GCU. We have an active Erasmus Student Network who organise fun events throughout the year as well as a great student events team who plan regular events and trips around Scotland.

You will find that people in Glasgow are very welcoming and this is shown through GCU's [New2GCU](#) which aims to support new arrivals. New2GCU offers a **free** airport arrival meet and greet, student welcome programme packed with social activities, and a global buddy system which pairs new international students with a local GCU student.

Student Support

At GCU we aim to support students throughout their time with us. Exchange & study abroad students will also have access to:

- A Learning Development Centre which provides academic writing support, ICT support and advice on study skills
- An on-campus gym
- Counselling services
- Careers advice

"I am glad that I had the opportunity to study at GCU for one semester. The staff, the fellow students and the university's facilities made it easy to feel welcome in Scotland. It is a country of mythical and unique beauty where you meet the friendliest people on earth, have great whisky, hear an adorable accent and lose a wee bit of your heart to it." - Nora Schönberg, exchange student.

**We look forward to welcoming
you to GCU!**
